Quality and testing

Whether it's in our own test lab or at an independent institute, we carry out extensive testing to make sure our products are designed to stand up to the wear and tear of everyday life.

All products developed for the bathroom are tested to withstand moisture. The backs of mirrors, wood and metal surfaces are treated to prevent oxidisation, rust, peeling or flaking. In addition, wood and board materials are tested for resistance to stains.

Cultured marble washbasins are shock tested with hot and cold water, and impact tested, to ensure cracking of the surface does not occur.

All our drawers can withstand opening/closing at least 20,000 times, and our doors and hinges can handle opening/closing at least 20,000 times while bearing a weight of up to 3 kilos.

You can do it all yourself. But you don't have to.

Picking and Delivery Service

If you love our furniture and enjoy the inspiration you get from a trip to the IKEA store, but are not so keen to fetch and carry things yourself, why not leave both the picking and the delivery to us? Just order and go!*

* Applies to furniture items only. Ask in store for more details.

Installation Service

Our bathroom installation service can save you valuable time. We offer a range of installation options that can be tailored to suit your needs, all at a great price. Our bathroom installation service comes with a **free 3-year workmanship guarantee**. For more information please see in store.

Home Delivery Service

Most IKEA products are flat-packed and designed in such a way that they are easy for you to take home yourself. However, we can arrange same day/next day* home delivery for you within the store delivery area** at a great price. The new prices are valid for your local store delivery region only. Please speak to a member of staff for full terms and conditions.

*Same day/next day delivery is subject to availability at our local transport partner.** Please enquire at one of the information desks for the postcodes included in our store delivery area and for prices for deliveries outside the store delivery area.

Assembly Service

Most IKEA products are designed in such a way that they can easily be assembled by the customer. That way, you get the very best value. However, if you prefer, you can leave the assembly of your purchase to our professional, independent partners in your area for a competitive price. This service includes 1-year workmanship guarantee and disposal of packaging in an environmentally friendly way.

Don't forget about our online planning tool!

Be your own designer with the help of our online planner. Our easy-to-use software can help you explore different combinations, colours and functions before you come to the store. The planner helps you calculate the exact price of your combination, tells you if it's available in your store and print out a picking list to make your store visit an easy and hassle-free experience. You can try the planners online at home or in the bathroom area at the store.

Guarantee

GODMORGON
and all our mixer taps
(except OLSKÄR) have a
free 10-year guarantee

All of our mixer taps are made of chromium-plated solid brass with ceramic seals. IKEA taps reduce energy consumption by reducing water flow with no noticeable loss of pressure, and all are tested, approved and have a 10-year guarantee.

What is covered under this guarantee?
The 10-year guarantee is valid for all bathroom mixer taps at IKEA, except OLSKÄR bathroom mixer tap. This guarantee covers defects in materials and workmanship. This guarantee applies to domestic use only. This guarantee does not apply if the products have been used in a corrosive environment.

GODMORGON is one of our most popular bathroom ranges and we are proud to say that all of the GODMORGON range is covered by a 10-year guarantee. This guarantee covers defects in materials and workmanship in the following furniture, washbasins, interior fittings and water trap:

- GODMORGON furniture
- GODMORGON legs. Applies to domestic use only.
